

## Glossary

---

|                |                                |
|----------------|--------------------------------|
| <b>ILT</b>     | first lieutenant               |
| <b>ISG</b>     | first sergeant                 |
| <b>1st</b>     | first                          |
| <b>2d</b>      | second                         |
| <b>3d</b>      | third                          |
| <b>A&amp;B</b> | assault and barrier            |
| <b>A&amp;O</b> | assault and obstacle           |
| <b>AA</b>      | avenue of approach             |
| <b>ACE</b>     | armored combat earthmover, M9  |
| <b>AD</b>      | air defense                    |
| <b>ADA</b>     | air defense artillery          |
| <b>ADAM</b>    | area denial artillery munition |
| <b>ADAO</b>    | air defense artillery officer  |
| <b>ADC</b>     | area damage control            |
| <b>ADP</b>     | automated data processing      |
| <b>AH</b>      | attack helicopter              |
| <b>AHB</b>     | attack helicopter battalion    |
| <b>AMB</b>     | air-mission brief              |

|             |                                      |
|-------------|--------------------------------------|
| <b>AO</b>   | area of operation                    |
| <b>AP</b>   | antipersonnel                        |
| <b>ASL</b>  | authorized stockage list             |
| <b>ASP</b>  | ammunition supply point              |
| <b>AT</b>   | antitank                             |
| <b>AT-4</b> | 84 millimeter, light antitank weapon |
| <b>ATP</b>  | ammunition transfer point            |
| <b>attn</b> | attention                            |
| <b>AVLB</b> | armored vehicle-launched bridge      |
| <b>BHL</b>  | battle handover line                 |
| <b>BMEC</b> | brigade main engineer cell           |
| <b>bn</b>   | battalion                            |
| <b>BOS</b>  | Battlefield Operating System         |
| <b>BP</b>   | battle position                      |
| <b>BREC</b> | brigade rear engineer cell           |
| <b>BSA</b>  | brigade support area                 |
| <b>C2</b>   | command and control                  |
| <b>CA</b>   | civil affairs                        |
| <b>CCM</b>  | cross-country mobility               |
| <b>CCP</b>  | casualty collection point            |

|               |                           |
|---------------|---------------------------|
| <b>CCT</b>    | combat control team       |
| <b>CDS</b>    | container delivery system |
| <b>CEV</b>    | combat engineer vehicle   |
| <b>CI</b>     | counterintelligence       |
| <b>CO</b>     | commanding officer        |
| <b>COA</b>    | course of action          |
| <b>COMEX</b>  | communications exercise   |
| <b>COMSEC</b> | communications security   |
| <b>CONUS</b>  | continental United States |
| <b>COSCOM</b> | corps support command     |
| <b>CP</b>     | command post              |
| <b>CS</b>     | combat support            |
| <b>CSA</b>    | corps support area        |
| <b>CSE</b>    | combat support equipment  |
| <b>CSG</b>    | combat service group      |
| <b>CSR</b>    | control supply rate       |
| <b>CSS</b>    | combat service support    |
| <b>DA</b>     | Department of the Army    |
| <b>DATK</b>   | deliberate attack         |
| <b>DISCOM</b> | division support command  |
| <b>DIVEN</b>  | division engineer         |

|               |                                     |
|---------------|-------------------------------------|
| <b>DS</b>     | direct support                      |
| <b>DSA</b>    | division support area               |
| <b>DST</b>    | decision support template           |
| <b>DTED</b>   | digital terrain elevation data      |
| <b>DTG</b>    | date-time group                     |
| <b>DZ</b>     | drop zone                           |
| <b>EA</b>     | engagement area                     |
| <b>EAD</b>    | echelons above division             |
| <b>EBA</b>    | engineer battlefield assessment     |
| <b>EM</b>     | enlisted men                        |
| <b>enr</b>    | engineer                            |
| <b>EOD</b>    | explosive ordnance disposal         |
| <b>EPW</b>    | enemy prisoner of war               |
| <b>equip</b>  | equipment                           |
| <b>FA</b>     | field artillery                     |
| <b>FAA</b>    | forward assembly area               |
| <b>FACE</b>   | forward aviation combat engineering |
| <b>FARP</b>   | forward area rearm/refuel point     |
| <b>FASCAM</b> | family of scatterable mines         |
| <b>FEBA</b>   | forward edge of the battle area     |

|                |   |
|----------------|---|
| <b>FLA</b>     | front line ambulance                                |
| <b>FLOT</b>    | forward line of own troops                          |
| <b>FLS</b>     | flight landing strip                                |
| <b>FM</b>      | field manual; frequency modulated                   |
| <b>FOB</b>     | forward operating base                              |
| <b>FRAGO</b>   | fragmentary order                                   |
| <b>freq</b>    | frequency   |
| <b>FSB</b>     | forward support battalion                           |
| <b>FSCL</b>    | fire-support coordination line                      |
| <b>FSCOORD</b> | fire-support coordinator                            |
| <b>FSO</b>     | fire-support officer                                |
| <b>FSP</b>     | forward supply point                                |
| <b>G2</b>      | Assistant Chief of Staff, G2 (Intelligence)         |
| <b>G3</b>      | Assistant Chief of Staff, G3 (Operations and Plans) |
| <b>GS</b>      | general support                                     |
| <b>GSR</b>     | ground surveillance radar                           |
| <b>HATK</b>    | hasty attack  |
| <b>HHC</b>     | headquarters and headquarters company               |
| <b>HMMWV</b>   | high mobility, multipurpose wheeled vehicle         |
| <b>HN</b>      | host nation   |
| <b>HQ</b>      | headquarters  |

|                |   |
|----------------|---|
| <b>HUMINT</b>  | human intelligence                          |
| <b>HVT</b>     | high-value target                           |
| <b>INTSUM</b>  | intelligence summary                        |
| <b>IPB</b>     | intelligence preparation of the battlefield |
| <b>IR</b>      | intelligence requirements                   |
| <b>ISB</b>     | intermediate staging base                   |
| <b>JAAT</b>    | joint air attack team                       |
| <b>JTF</b>     | joint task force                            |
| <b>LAPES</b>   | Law Altitude Parachute Extraction System    |
| <b>LARP</b>    | light airfield repair package               |
| <b>LAW</b>     | light antitank weapon                       |
| <b>LD</b>      | line of departure                           |
| <b>LEC</b>     | light equipment company                     |
| <b>LO</b>      | liaison officer                             |
| <b>LOC</b>     | lines of communication                      |
| <b>LOGPAC</b>  | logistical package                          |
| <b>LOGSTAT</b> | logistical status                           |
| <b>LT</b>      | light                                       |
| <b>LZ</b>      | landing zone                                |

|                |   |
|----------------|---|
| <b>m</b>       | meter   |
| <b>M/CM/S</b>  | mobility, countermobility, and survivability        |
| <b>M/S</b>     | mobility and survivability                          |
| <b>MAF</b>     | Marine amphibious force                             |
| <b>MBA</b>     | main battle area                                    |
| <b>MC</b>      | mobility corridor                                   |
| <b>MCOO</b>    | modified combined obstacle overlay                  |
| <b>MEDEVAC</b> | medical evacuation                                  |
| <b>MEE</b>     | mission-essential equipment                         |
| <b>METT</b>    | mission, enemy, terrain, and troops                 |
| <b>METT-T</b>  | mission, enemy, terrain, troops, and time available |
| <b>MI</b>      | military intelligence                               |
| <b>MICLIC</b>  | mine-clearing line charge                           |
| <b>MOPMS</b>   | Modular Pack Mine System                            |
| <b>MOUT</b>    | military operations on urbanized terrain            |
| <b>MP</b>      | military police                                     |
