
GLOSSARY

| | | | |
|----------------------|--|----------------|--|
| AAT | ammunition accountability team | CMMC | corps materiel management center |
| ABL | ammunition basic load | COMMZ | communications zone |
| ADP | automatic data processing | COMSEC | communications security |
| ADPE | automatic data processing equipment | CONUS | continental United States |
| ALB | AirLand Battle | COOP | Continuity of Operations Plan |
| AMC | (United States) Army Materiel Command | COSCOM | corps support command |
| AMCCOM | (United States Army) Armament, Munitions, and Chemical Command | CP | command post |
| APE | ammunition-peculiar equipment | CS | combat support |
| AR | Army regulation | CSA | corps storage area |
| ASG | area support group | CSB | corps support battalion |
| ASL | authorized stockage list | CSG | corps support group |
| ASP | ammunition supply point | CSR | controlled supply rate |
| ATP | ammunition transfer point | CSS | combat service support |
| BAO | brigade ammunition officer | CZ | combat zone |
| BCM | binary chemical munition | DA | Department of the Army |
| bn | battalion | DAC | Department of the Army civilian |
| BOE | Bureau of Explosives | DAMMS-R | DA Movement Management System—Revised |
| BSA | brigade support area | DAO | division ammunition officer |
| C² | command and control | DARCOM | (United States Army) Development and Readiness Command |
| C³ | command, control, and communications | DD | Department of Defense (for forms) |
| CARC | chemical-agent-resistant coating | DIC | document identifier code |
| CCL | combat configured load | DISCOM | division support command |
| CEA | captured enemy ammunition | DMWR | depot maintenance work requirement |
| CEOI | Communication-Electronics Operation Instructions | DOD | Department of Defense |
| CLT | cellular logistics team | DODAC | Department of Defense Ammunition Code |
| | | DODIC | Department of Defense identification code |
| | | DS | direct support |

| | | | |
|---------------|---|---------------|---|
| DSA | division support area | MOADS | Maneuver-Oriented Ammunition Distribution System |
| DS/S | Desert Shield/Storm | MOPP | mission-oriented protective posture |
| DU | depleted uranium | MRO | materiel release order |
| EAC | echelons above corps | MP | military police |
| EOD | explosive ordnance disposal | MSE | mobile subscriber equipment |
| EODCT | explosive ordnance disposal control team | MSR | main supply route |
| EPW | enemy prisoners of war | NBC | nuclear, biological, chemical |
| FM | field manual | NCO | noncommissioned officer |
| FSB | forward support battalion | NICP | national inventory control point |
| FSC | Federal supply classification | NSN | national stock number |
| FSU | field storage unit | OCONUS | outside continental United States |
| G2 | assistant chief of staff, G2 (intelligence) | OSHA | Occupational Safety and Health Act |
| G4 | assistant chief of staff, G4 (logistics) | PLL | prescribed load list |
| G5 | assistant chief of staff, G5 (civil affairs) | PLS | palletized load system |
| GMLR | guided missile and large rocket | POD | port of debarkation |
| GS | general support | POL | petroleum, oils, and lubricants |
| GTA | graphic training aid | PWP | plasticized white phosphorous |
| HEMTT | heavy-expanded mobility tactical truck | PWRS | prepositioned war reserve stocks |
| HHC | headquarters and headquarters company | QA/QC | quality assurance/quality control |
| HHD | headquarters and headquarters detachment | QASAS | quality assurance specialists (ammunition surveillance) |
| HNS | host-nation support | RAO | regiment ammunition officer |
| HQ | headquarters | ROD | report of discrepancy |
| IED | improvised explosive device | S1 | adjutant (United States Army) |
| ISO | International Standards Organization | S2 | intelligence officer (United States Army) |
| LIC | low-intensity conflict | S3 | operations and training officer (United States Army) |
| LOC | logistics operations center | S4 | supply officer (United States Army) |
| LOI | letters of instruction | SAAS | Standard Army Ammunition System |
| LOTS | logistics-over-the-shore operations | SB | supply bulletin |
| MCC | movement control center | SC | sideless container |
| MCT | movement control team | SF | standard form |
| METT-T | mission, enemy, terrain, troops, and time available | SOP | standing operating procedure |
| MHE | materials handling equipment | SPBS-R | Standard Property Book System—Revised |
| MICOM | (United States Army) Missile Command | SSA | supply support activity |
| MLRS | Multiple-Launch Rocket System | | |
| MMC | materiel management center | | |

| | |
