

PREFACE

This manual covers the general principles of nontactical wheeled vehicle operation. It also describes special instructions for tactical vehicle operation. Military and civilian drivers of government-owned vehicles will use this manual as a guide for safe and efficient operation of a vehicle.

Instructions in this manual will help the wheeled vehicle driver maintain a high degree of driving efficiency. This manual does not restrict its contents to any particular vehicle. It is a guide to normal everyday operations and to driving under difficult conditions. When more information is needed for a specific vehicle, check the technical manual written for that vehicle.

The proponent of this publication is the US Army Transportation School. Send comments and recommendations on DA Form 2028 (Recommended Changes to Publications and Blank Forms) directly to Commandant, US Army Transportation School, ATTN: ATSP-TDR Fort Eustis, VA 23604-5389. Air Force personnel submit AF Form 847 (Recommendation for Change of Publication) to HQ USAF/LGTV, The Pentagon, Room 4B238, Washington, D. C. 20330-5130.

This publication implements the following international agreements:

STANAG 2002, Marking of Contaminated or Dangerous Load Areas, Complete Equipments, Supplies and Stores (Edition 6).

STANAG 2025, Basic Military Road Traffic Regulations (Edition 5).

Unless this publication states otherwise, masculine nouns and pronouns do not refer exclusively to men.
